REPORT OF THE DIRECTORS - YEAR ENDED 31 DECEMBER 2021

The directors submit their report and the audited financial statements for the year ended 31 December 2021, which disclose the state of affairs of the organisation as at that date.

Organisation and principal activities

Action Africa Help International (AAHI) is a non-profit organisation registered in Nairobi, Kenya and is dedicated to improvement of quality of life for livelihood challenged communities in Kenya, South Sudan, Uganda, Somalia, Ethiopia and Zambia.

	2021	2020
Results	USD	USD
(Deficit) / balance for the year	51,177_	(227,989)

Executive committee

The directors who held office at the date of this report are shown on page 2.

Independent auditor

The organisation's auditor, Crowe Erastus & Co, has expressed willingness to continue in office.

By Order of the Board (For and on its behalf)	
Dr. John Tabayi	Dr, Githaiga Kamau
(Chairman)	(Ag. Executive Director)

Approved by the directors on

STATEMENT OF DIRECTORS' RESPONSIBILITIES - YEAR ENDED 31 DECEMBER 2021

The directors are required to prepare financial statements which give a true and fair view of the state of affairs of the organisation as at the end of the financial year and of the results for that year. They are also required to ensure that the organisation maintains proper accounting records which disclose with reasonable accuracy the financial position of the organisation. The management is also responsible for safeguarding the assets of the organisation.

The directors accept responsibility for the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error. They also accept responsibility for:

- Designing, implementing and maintaining such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;
- ii. selecting and applying appropriate accounting policies; and
- iii. making accounting estimates and judgements that are reasonable in the circumstances.

The Directors are aware of the general funds deficit position of USD 1,299,964/- (2019: USD 792,355/-) as disclosed on page 7. The Directors are of the view that the deficit is temporary and does not, of itself, pose a threat to the going concern status of the organization. Having made an assessment of the organisation's ability to continue as a going concern, the Directors are not aware of any other material uncertainities related to events or conditions that may cast doubt upon the organisation's ability to continue as a going concern.

The Directors acknowledge that the independent audit of the financial statements does not relieve them of their responsibilities.

REPORT OF THE INDEPENDENT AUDITOR

ACTION AFRICA HELP INTERNATIONAL

YEAR ENDED 31 DECEMBER 2021

Opinion

We have audited the accompanying financial statements of Action Africa Help International set out on pages 6 to 23 which comprise the statement of financial position as at 31 December 2021, statement of income and expenditure, statement of changes in fund balances and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

To be included in the final draft

Emphasis of matter

Without qualifying our opinion, we draw attention to the deficit for the year on page 6 of USD 227,989/(2019: USD 392,783/-) and the negative general funds of USD 1,299,964/- (2019: USD 792,355/-) on page 7. Subsequent years indicate a decline in grants income creating doubt on availability of funds to carry out the organisation's activities and consequently on the going concern of the entity. The Directors are however optimistic regarding the going concern and are committed to source for funds needed for continuity of the organisation's objectives.

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the responsibility of the independent auditor section of our report. We are independent of the organisation in accordance with the International Ethics Standards Board for Accountants Code of Ethics for professional accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information comprises report of the directors, statement of directors' responsibilities and a schedule of programme and other expenditure that comprise the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility for the financial statements

As stated on page 3, the Directors are responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting principles and applicable international financial reporting standards. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In preparing the financial statements, the Directors are responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Organization or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITOR (Cont. ...)

ACTION AFRICA HELP INTERNATIONAL

YEAR ENDED 31 DECEMBER 2021

Responsibility of the independent auditor

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organisation's internal controls.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause Action Africa Help International to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

CPA Rahab Nyaboga practices in CROWE ERASTUS & Co. together with other partners. The engagement partner responsible for the audit resulting in this independent auditor's report is CPA Rahab Nyaboga - Practising Certificate No. P/1789.

NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 DECEMBER, 2020

1. Significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation

The financial statements have been prepared under the historical cost basis in accordance with the accounting policies set by Action Africa Help International, generally accepted accounting principles and applicable international financial reporting standards.

b) Income

Income comprises grants from various donors and other income. Revenue grants are recognised when the organisations' right to receive the funds is established. Other income is recognised when it is earned.

Grants are classified as restricted funds. If part of a grant is expendable wholly at the discretion of management without restriction, that portion may be classified as unrestricted funds.

c) Expenditure

Expenditure comprises expenses incurred directly for projects activities and support costs. Expenditure is recognised and recorded on an accruals basis.

d) Property and equipment

Property and equipment purchased with restricted funds are expensed on acquisition. A capital fund account is maintained for tracking of such assets.

Property and equipment purchased with unrestricted funds are stated at historical cost less accummulated depreciation and any impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to its location and condition of its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate only when it is probable that future economic benefits associated with the item will flow to the organisation and the cost can be reliably measured. The carrying amount of the replaced part is derecognised. All other repairs and maintenance costs are charged to the statement of comprehensive income and expenditure during the period in which they are incurred.

Depreciation of property and equipment is calculated on reducing balance method to write down the cost of each asset to its residual value over its estimated useful life. Depreciation on property and equipment purchased with restricted funds is recognised in the accounts on a memorandum basis. The depreciation rates in use are as follows:

Category	Rate %
Computer equipment	33.3
Motor vehicles	25
Furniture, fittings and equipment	12.5

Land and buildings are not depreciated.

NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 DECEMBER, 2020

1. Significant accounting policies (cont. ...)

d) Property and equipment (cont. ...)

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each statement of financial position date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Disposal of any assets must be in line with the donor requirements. Gains and losses on disposal of property and equipment are determined by reference to their carrying amount and are taken into account in determining surplus for the year.

e) Translation of foreign currencies

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of income and expenditure and other comprehensive income and statement of changes in fund balances.

The rates used in translation of balances from the originating currency to USD were as follows:

2020	2019
101.34	102.51
160.42	159.88
14.00	10.00
3,680.53	3,717.47
0.89	0.75
0.76	0.77
	101.34 160.42 14.00 3,680.53 0.89

f) Reserves

(i) Capital fund

This reserve represents the valuation of the property and equipment that were purchased and capitalised less the related depreciation on those assets.

(ii) General funds

These are unrestricted funds that represent the accumulated reserve that is available for use at the discretion of management in furtherance of the objectives of the organisation.

(iii) Unspent fund balances

Grant income is recognised when expenditure is incurred. Any funds received and not spent by the end of the year are recognised under unspent fund balances on the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 DECEMBER, 2020

1. Significant accounting policies (cont. ...)

g) Trade receivables

Receivables comprise staff debtors, deposits, prepayments and other receivables and are recorded at net realisable value. No provisions have been made in these financial statements. An assessment is made on the recoverability of receivables at the end of each financial year to determine provisions and write-offs required.

h) Cash and cash equivalents

For the purposes of the statement of cash flows, cash and cash equivalents comprise cash in hand and deposits held at call with banks, net of bank overdrafts.

i) Trade payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest.

j) Employee entitlements

The organisation operates a gratuity fund for its employees on confirmed employment contracts. The scheme is administered by an insurance company. The organisation's contributions to the fund are charged to the statement of comprehensive income in the year in which they relate.

The organisation and its employees contribute to the statutory defined contribution scheme registered in the respective country. The organisation's contributions to the defined contribution scheme are charged to the statement of income and expenditure in the year in which they relate.

k) Taxation

No provision has been made for taxation in view of the nature of the organisation. An application for exemption from taxation has been made to the Kenya Revenue Authority and a reply is awaited. In the opinion of the management, an exemption is likely to be granted.

I) Accounting for leases

Leases of assets under which a significant portion of the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the statement of comprehensive income on a straight line basis over the period of the lease.

m) Borrowings

Borrowings are initially recognised at the transaction price, net of transaction costs incurred and are subsequently stated at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised as interest expense in the statement of comprehensive income under finance costs.

Borrowings are classified as current liabilities unless the organization has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

n) Comparatives

Where necessary, comparative presentation in the current year.	figures	have	been	adjusted	to	conform	with	changes	in
